

Dear Authors,

According to health measures and official recommendations due to COVID-19 pandemic, **VIII international conference ‘New Horizons of Transport and Communications 2021’** will be held **online**. Detailed information about this you can see here.

Authors should prepare their 10-minute presentation, which will be streamed during the conference according to the program that will be published at the conference website (<http://novihorizonti.sf.ues.rs.ba/>) with **authors participating in the live discussion after each presentation**. The duration of the discussion is limited to 5 minutes.

The deadline for submitting the presentation recording is November 15.

We suggest that you prepare your presentations in **Power Point** with **audio and video recording**. You can use ” **ShareX** “ or any other tool to record your presentation with **audio and video in mp4 format**.

Send us the recording of your video via this website: <https://wetransfer.com/>

The link of presentations from wetransfer you should send to E-mail: novihorizonti@sf.ues.rs.ba. **After that, you will receive a confirmation from us.**

All authors will receive information on the digital platform used for streaming the conference with all relevant information in due time before the conference.

Kind regards,

Organizing Committee
